#### **Guidelines on reading the bible**

- Pick a translation of the bible you find the easiest to read.
- Pray before that the Holy Spirit open your hearts and teach you from the reading
- Read it and think through the things that you learnt and maybe note them down
- If necessary look up difficult ideas or passages in a concordance or talk it through with someone else
- Think how it can be lived out
- Don't worry if you miss a day or two – you can catch it up later
